“ As daughter-in-law, wife of oldest son, Bob, I have many great memories of Mom...she taught me to poach eggs, make pasties, and make some of Bob's favorite dishes. She used to send us her wonderful cookies, molasses cookies were our favorite. I remember her smiles and her love, both generously given. I have always been grateful that she raised a son to be a good husband, and he made me a part of this great family. Love to all. Sending you all big hugs. Vicki #1 Lent

“ I have known the Lents since my early teen years. My parents, George and Harriet Hotchkin spent lots of times square dancing, traveling and playing cards together. I remember they had such fun and funny times for over forty years or so. Marion will be missed by our family. I pray for the Lent family and may Jesus watch over the beautiful family left behind today.
