“ *We have been members for years together at PFUMC but it was really the 4 years that I was the chairperson of Trustees & her husband Wes was a very hardworking member that both my husband Brad & I came to know them. After each mtg, she would come up to me in church & say how inspired he was working together for Gods house. He was the reason we have the current outdoor sign, one of many projects he worked on. When I said paint, he said where?! She was so supportive and I came to love both of them. True Christians!*

“ Growing up in Livonia 5 house from this dear family, I remember Mrs. Kappler as one of the kindest and most loving ladies I'd ever met. I also remember her love for the Lord and words of encouragement towards Him to her kids and I numerous times. Then about 10 years ago my wife and I got to stay with them for a bit, and we both were taken back at what kind/loving people they were! I look forward to seeing them again! We'll be praying for the boys and their families in the loss of this wonderful lady.

“ To me, Mrs. Kappler was, above all else, kind and caring. As a high schooler who regularly frequented her home (and kitchen), she never missed a chance to ask me how I was doing. Better still, she patiently waited as I responded. And even better yet, she listened. She always asked me about my parents too, and later in life, about my work and eventually about my own family and children. She always seemed to care - about me, and about those most connected to me. Today, Mrs. Kappler, I care about you. About the great life you have led, the lives you have touched, and the wonderful family you now leave in place to carry out your life work of kindness and caring. May you and may all the Kapplers be well.
