“ *A lovely woman, mother of 4 wonderful children, one of them my dearest friend. Her influence in their lives was obvious in the generous , loving qualities they all inherited. I have to respect all the hard work she put into their early lives. My dear friend has guided me in a difficult journey and now she had her own to travel, I know Marjorie's life lessons will help her children through this. I admire this family and pay honor to the dear mother who raised them . May god grant her eternal peace*
