“ *I remember when you'd let us sit in the middle in truck and shift for you. Going bowling and out to eat was always fun. You were like a father figure to me during a time I really needed one. Thank you. You will be missed. My heart goes out to the family. ❤️*

“ *From the time I met Mark i was sure of three things: Mark loved children. A very big man Mark could be intimidating to adults much less little children. But with a kind and gentel manner it was easy to see children loved him as much as he loved them. As good as he was with kids Mark also took to his pets. He had a lot of fun with the dogs and cat. And lastly i knew Mark loved racing. From the drag strip to stock car ovels Mark was a racer at heart.*

You will be dearly missed brother.
