“ *Mark Anthony Leszczynski*

“ *I remember being at a party with you and telling you how uncomfortable I was sitting there with people I didnt know. You said "Want me to do something to make you feel comfortable?" You started shaking your body until your pants fell down around your ankles. Then you proceeded to drop to the floor and wriggle around to the shock of other people. When you stood up you said "Do you feel better?" I smiled and laughed so hard and I never forgot how you went out of your way to help me feel better about that moment and in general, about myself. You were so encouraging. Thank you my friend for making me (and everyone) laugh. To say that you were unique would be an understatement. To say that you were unforgettable would not. Lofties forever.
Much love- the Panamanian.*

“ *Mark and I met through a mutual love for pinball and arcade games. We also worked at Theatre Bizarre together. Each year he would come to the Michigan Pinball Expo and he would let me record a one take promo video for our Facebook page. He is simply amazing with his ability to construct a narrative on the fly on almost any subject matter.*

Thanks for all the laughter my friend. Your life will live on in the laughter and memories of you that we will all share with one another.

“ *Dottie you and your family are in my prayers, always! A loss is certainly overwhelming but a loss so young is devastating. There is no rhyme or reason to what life deals but know that there are people who love and support you. Know that Mark is at peace. Love you sweetie.*

“ *Pants, you introduced me to that song "With my own bare hands" and with that song I will continue to annoy people with it in your honor. You were such a great big presence at Danny's and we all loved you (even when I couldn't hear the trivia guy over your voice) You had one of the biggest hearts and gave the best hugs.....I'm going to miss you brother! ❤️Crimi*

“ *Pants. Pal. I can't make it back to send you off proper. You were a true entertainer and the world is less without you. I can't see you wanting a bunch of flowers. I made a donation to the ACLU in your name. Don't party too hard with Andy and Rodney. Save a little for me.*

“ I knew Mark from his days of working at Stubhub Detroit. He was very good at what he did and he was a pleasure to deal with. Very Sad to hear this news. He will be missed.

“ There are so many memories, how do we choose just one. I've worked with Mark for the last 3 years, but have known him for almost 10. He sat next to me everyday, our work family will never be the same. He was a joy, a friend, and helluva guy. I hope that he knows now how much he was truly loved, and that we at least gave him a glimpse of that while he was here.
