“ *Mark Moore was my 2nd cousin. Our families were close during our childhood, spending time together during the summer and Thanksgiving and Christmas holidays. I have fond memories from those times spent together. I looked up to my handsome and funny cousin. He and his brother, Neil kept us laughing with their teasing and joking around. Memories of throwing football in their backyard, Thanksgiving meals shared, a cousins sock fight at Grandmother's and Granddaddy's house, a combined family trip to the beach - playing dominoes, riding the rides at the carnival, and many laughs together. Love you and miss you dear cousin. Forever in our hearts. Prayers, hugs and love to the family. Cindy Cathey Floyd*

“ Dear Kathy,

*I'm so very sorry to hear of the death of Mark. I was out of town when the email was forwarded and was heart broken to hear of a fellow Adistra-ite being impacted by such a tragic event. While I didn't know Mark personally, I knew of him through a few brief conversations we had, one at side street pub.....and of the fife and drum link. I pray you find comfort in his legacy as I read through others how much he was valued.*

“ Mark was a great help to me with Nissan and with the Knights of Columbus. When became Grand Knight of my council in Aurora IL, Mark was very helpful in providing ideas that I could use to invigorate my council members. We had some pretty good chats about the Church that gave me a new perspective on my faith. As a Nissan colleague, Mark was very helpful in trying to teach me fixed operations as I began my journey as a Fixed Ops Manager.

*Life will be a little duller with his passing, but his memory will remain for a long time by all the people he crossed paths with.*

“ I had the pleasure of meeting Mark at Yark Nissan. It was always a bonus spending some one on one time at lunch. He shared some great stories and often time spoke of God, religion, politics and his relationship with his wife and kids. What pride he took in his family. On one very clear lunch hour we were talking about a small surgery my 10 year old was slated for. Mark was very intrigued. Just before departing for the day, he called me over to the door, where he was. He reached in his pocket and gave me a small angel statue he carried with him. He gave me some background behind the angel and made it very clear that I pass this onto her and tell her the story behind the man who gifted the angel. I was speechless and humbled by his generosity. He stated he had carried that angel for twenty years. That it had kept him safe and secure and would do the very same for her. I have shifted positions in the company but continue to use some of instruction received from Mark to better myself and my people.

God Bless!!!

Rest in peace my friend for one day we will meet for lunch again!

“*Death is nothing at all. it does not count. I have only slipped away into the next room. Nothing has happened. Everything remains exactly as it was. I am I, and you are you, and the old life that we lived so fondly together is untouched, unchanged. Whatever we were to each other, that we are still. Call me by the old familiar name. Speak of me in the easy way which you always used. Put no difference into your tone. Wear no forced air of solemnity or sorrow. Laugh as we always laughed at the little jokes that we enjoyed together. Play, smile, think of me, and pray for me. Let my name be ever the household word that it always was. Let it be spoken without an effort, without the ghost of a shadow upon it. Life means all that it ever meant. It is the same as it ever was. There is absolute and unbroken continuity. What is this death but a negligible accident? Why should I be out of mind because I am out of sight? I am but waiting for you, for an interval, somewhere very near, just around the corner, all is well here.*

“ *Mark, first cousin, and son of my dear aunt Frances, was such a fun person to be around. His humor, especially when coupled with his brother, Neil, could keep a room full of us laughing at any gathering of our families. Though we have lived in distant states for a number of years, we have always enjoyed our reunions each time he traveled "home." I pray God will comfort all who loved him. We will miss him. I ask God to be with Kathy and Chase and give them peace.

Mark was indeed a character and never failed to make us laugh at all our family gatherings. His mother Frances and my Grandmother Polly were very, very close. Some of my most favorite memories growing up involved Mark, Becky, Neil, and Frances. Oh how we all enjoyed laughing!! Wishing all of his family the sincerest of condolences during this time of such a shocking loss. He will be missed! Praying for all of you!! I have no doubt he is one fine entertainer now in heaven.

“ I am so very sorry for the loss of mark . He lit up the world when he was around . I have precious memories of he and Neil entertaining us as we watched the two of them acting so hilariously . They remind me exactly of my two sons ! I have been and will continue to pray for God to heal each of your broken hearts ! I know God will give each of you the ability to make it through such a difficult time . This reminds me to count each day as if it were our last one , Like the bible tells us to. He will be dearly missed !

“ I have enjoyed being Mark's co-worker at Nissan North America for 5+ years. His knowledge, willingness to help others, and dedication are rare traits indeed. We have enjoyed telling many stories about our business, families and life in general. I have grown to embrace Mark's friendship and will miss his humor. As we say in the Jewish religion "May his memory be a blessing to all who knew him and loved him." Amen.

“ Mark was one of the great ones. I always hoped to see him at a K of C gatherings but he travelled a lot for work so, seeing him was always a treat. From the first time I met him he made me feel comfortable. He was so accepting and loving of everyone! And his jokes! What a gift. I don't know how he remembered them all. The last time I saw him, last Saturday, he had brand new jokes that had me laughing.

I am so shocked, and saddened that we lost him so soon. My thoughts and prayers are with his family and those of us whose lives will feel the void. I have no doubt that a great soul like Mark's will enjoy eternity in heaven.

God bless you Brother Mark.
