“ *Bob & Olga,*

I just want to say how sorry I am for your loss. Mark was a great guy and was full of life. Wally often told me stories of Mark and how he wanted to go and visit him. Time just seems to slip away and you are left wondering how this could possibly happen. My heart goes out to you and if there is anything that I can do to in your time of need please let me know.

We love you very much!

“ Dear Olga & Bob,
It was such a shock to see Mark's obituary in the paper. As we get older we are looking for people of our age being as we are getting to the top of the pyramid. We don't expect to see their children. Our deepest sympathy to you and your family. We know the deep pain you are going through. Jim lost his son at 29. It's been a long time since we saw you last and I feel bad that I have to say Hello this way.
Jim & I have moved to the east side and live in Macomb at 21 Mile & Hayes. We are close to his daughter and her family. We like it very much.

Our prayers are with you in this sad time. I still remember when Mark had the limo service and he picked Louis Sam up for his retirement party. He still mentions that. So you can remember the good things in his life until you see him again in heaven.

God Bless you and your family..

Love,

Barb Grove

“ I would like to extend my deepest sympathy. I have not seen Mark in many years, but thought of him often when remiscing about younger days. When he was dating my friend Kathy in high school we would spend hours cruisng arround in that pretty green Riviera.What fun days those were! Mark is now cruisng in some beatiful vehicle in the sky, to bad he had to go so soon. God bless him and his family. Sincerely, Sandy Williams
