“ I miss Mark a lot. He always knew how to make me smile and laugh even when I was sad. He had such a big heart and was always having fun. In middle school we were always messing around and our counselor always said we were two peas in a pod. I'll never forget all the great times we had together. I loved him like a brother and I always will. He will always be in my mind and heart and I send my most sincere condolences to his family.

“ *Jenni and Family...*

I remember when you were our wonderful neighbors in the condos in New Hudson...my heart breaks for you. I am so sorry for the loss of Mark. Please know that God has a plan. We haven't seen you in such a long time, but I always remember little Mark splashing in the puddles out front and you telling him to get out of there...what a delightful, funny little man he was. My prayers are with you during this time....

Much Love

“ I am a Minister of Jehovah's Witnesses my wife and I would like to give you and your family our deepest sympathy for the lost of your loved one. We would like to leave you with these words of encouragement from Gods word the Bible. At Job 14:14 it ask the question, "If a man dies, shall he live again?," The bible makes the promise: Your dead love ones will live...They will rise up. The bible also says, The righteous themselves will possess the earth and they will reside forever upon it. Isaiah 26:19;Psalms 37:29. May you find comfort in these scriptures and in the loving memories of your loved one. If you have any questions or concerns about the lost of your loved one feel free to email us at ctksdk@yahoo.com
