“ Rich, Wendy and family,

*We're so very sorry for your loss. I don't think that there was a student in our class that didn't know "Mrs. Lampinen". She was always a behind the scenes part of our class events from float building, spirit days, volleyball and softball games lending her time and talents. She was the mom that was always cared and was always involved and she has most definitely passed that legacy onto you Wendy.*

*I have often smiled at the memory of she and your dad hosting me the night before my wedding because my room was used for out of town family. She served me Cheerios and Maalox to sooth my nervous stomach and lots of lighthearted jokes to start my day. What a blessing that was!*

*Praying that your wonderful memories and God's comfort will sustain you as you grieve.*

*With love,  
Kim & Mike Shaffer*
