“ *My Aunt, my friend, my confident. I will miss her. We shared so many wonderful times. When she was young and working, she always picked me up to spend a few days of her vacation. We would go to the beach, movies and just hang out. I always looked forward to it and felt so special. I babysat for her children and once I was married Sonny and I had many wonderful times. You always had a great time if you were around her. I could go on and on. She was the best! Loved her!*

“Sad news to read about this wonderful lady. Marlene was a fun-loving, kind lady. She was at Eriksson when I first started teaching! Then I moved to Isbister, where I had the privilege of working with her again. We shared so many laughs together, she was like another mother to many of us. God Bless your sweet soul. Prayers to all.”

“ I was a student at Isbister when Mrs. Somers was a secretary there. I now work in the district at East Middle School. When I heard of her passing, I immediately pictured her face. She had an impact on me during my visits to the school office at Isbister. My prayers are with the family.

“ Loved Marlene's sense of humor. When she and friend Sharon were together it was non-stop laughter. Glad she is at peace. God has her in the palm of his hand.
