“ *Martha was my grandmother, but to me she will always be my Nana. She was an unbelievably strong women. She spent the last decade struggling with various illnesses and endured more pain than anyone should ever have to feel. I am so very sad that she is gone but I am so happy that she is free of pain. I will miss her everyday until I die and will do my best to make her proud. Goodbye Nana.*

“ Here Love for me was unmeasurable, and mind for her as well. She went beyond being a great Mother, and my best Friend; she was a giver to all that needed her. She suffered so much for long with no answers on this earth, but now she suffers no more and finally has all her questions answered. The world has lost a very Loving spirit, and now our Lord has her forever. I will miss you everyday, until is see you again in Heaven, Love Jimmy.
