“ *When we lose someone who has been an important part of our life perhaps even raised us, many emotions come to the surface. Sadness is the first and strongest of the emotions. Then, as we visit time past, other emotions are felt. For me, it was a feeling that I have lost someone I truly loved. I LOVE YOU GRANDPA!. He will be missed by so many. I was very close with him, and will never forget how much he has taught me. He will forever be in my heart.*

“ *My sons and I knew that whenever Bud would pull up to the shop on his scooter he would always have a story to share with us. I would call the shop looking for Tom and it would be his golf time , many times Bud would pick up the phone , he always had a story to tell. To the Donn family our condolences Joe, A.J. and Dillon DeLoye*

“ Dear Arlene and Georgine, My condolences to you and your family. How well I remember Mr. and Mrs. Donn and you four siblings. My family lived next door to you on Longacre. I grew up having a bit of a crush on Bud though he was 8 years older than me and I was just a kid. One of my favorite memories is of your dad and partner, Mr. Battles. They would come home for lunch and turn on the fire hydrant for us kids to run under. I have a picture of about 20 of us enjoying a hot day. I sent it into Reminisce magazine some years ago and it has been printed several times. If I am not mistaken, you had a dog named Terry. I recall that the day your dad passed away, that dog wailed all day. I also remember the day my dad passed away, your mother came over with kind words for my mom. I was the oldest of three in my family. Sadly both my brothers have passed away. Life passes away so swiftly. I am 80 externally, but 25 in my head.

Again my blessings on your family.

Sincerely,

Georgia Browne nee Verdis
