“ *I?ve been very fortunate in my life to have known some very kind souls. Yet, I can think of no one who was more kind or a softer heart than Mary Sue. Mary was always compassionate. Always humble. She always wanted to know about the well-being of others. The world would be a very different place if more people were like her. I once heard a Minister say: God is a sure comfort in time of sorry. The pain of this loss will wear on all of us for a very long time.*

Jim Beuoy - December 12, 2014 at 10:29 AM

“ *We were so sad to hear about Mary while we were gone on vacation. We were glad that we got to meet Mary and lunch with the two of you. Let us know if there is anything we can do for you. We thought about the two of you while we were gone.*
