“ *The world will so miss this kind and gentle lady. She was a friend to so many and went out of her way to make the people around her feel comfortable. That beautiful smile will live forever in my memory. My condolences and much love to all of Mary's family.*

“ Our community is deeply saddened by the news of Mary's passing. During Mary's time at Woodland Village, she touched so many lives! Mary was kind of like the "Pied Piper", escorting so many residents to various activities when mobility was often times tough on her. Always a welcoming smile and friend to all here at Woodland! May you rest in peace, Mary.
