“ *Skip,  
I am not used to sending condolences in such a technical way. If I  
could be there I would love to give you a big hug and tell you how  
sorry I am for you. Mary Ann was great. As I returned to visit over  
the years our relationship never altered. She was just so much fun  
to be around. I really do not know all the kids but please extend a  
hug to them for they truly lost an amazingly person. Hope we can  
meet again this summer and enjoy a Bud while we chase the little  
white ball.*

“ Michael and Sue,  
We are so sorry to hear the news of Mary Ann. The fun stories that you two have shared with us makes us feel as though she was a friend. We inquired of Mary Ann's illness often because she was so dear to you. God bless you and know that she is resting peacefully now. We love you.

“ Dear Skip and Family,  
My heartfelt sympathy to all of you on Mary Ann's passing. I'm so glad we became family, and I will miss Mary Ann with each passing day, remembering our family get-togethers, sharing time at Tyler's soccer games, his birthday's and his favorite holiday, Halloween. For only the short number of years shared with her, I cherished her friendship and always will. She was such a courageous woman and fought this battle with determination to never back down. I'm sure you are all so proud of her as I am. For the loving and caring wife, mother, grandmother, and sister she was, I pray that God will keep her in His care and we will forever hold in our hearts all the wonderful memories she gave to us. I will truly miss her.

With Love,  
Deb Lance

“ Dear Skip and family, Cathy And Mike and your families,  
Our hearts ache for the loss of your wife, mother and sister.  
I was always in awe that someone could have such a beautiful smile  
and be so sweet and kind as Maryann was. I have so many  
memories of all of us during all the reunions and Christmases at  
Grandma Hassels. Even then Maryann was always had that special  
something you couldnt help but love her. We are all so fortunate in  
this family to have memories that help all those we have lost remain  
alive. And there will be one more added to our list of angels above  
to watch over us all. They say God takes the best early and that  
makes me think we come from a great family. Our love and  
Sympathy are with all of you through this difficult time. And the  
memories will keep you going and know Maryann will always be at  
your side. God Bless You All and You Are In Our Prayers Vickie and

“ I worked with Mary Ann at Ford in 1996. Even now, I can remember her laugh! I had just started at Ford, and she was so kind and willing to help. She also had a great sense of humor, and loved - LOVED! - talking about her kids. Please accept my sincere condolences. She will be missed.

“ My deepest sympathy goes out to Mary Ann's family. I had the pleasure of meeting Mary Ann at Ford in 1977. We worked together during the transition of Ford employees from Dearborn to the Renaissance Center. That was the most enjoyable and rewarding assignment I have ever had at Ford thanks to Mary Ann. She was an amazing person to work with. One of our jobs was to take pictures of the employees for ID cards. Some of the employees were not happy about moving to downtown Detroit but Mary Ann could always get them to smile for the picture. How could anyone frown when Mary Ann laughed. If her kindness didn't perk up the employees, her laugh certainly did. Over the years we worked in different departments at Ford but we still kept in touch. Mary Ann was more to me than a co-worker, she was my friend. When I retired, she gave me a beautiful silk floral arrangement which has always been displayed in my home. Even though she is gone, my floral arrangement will be a daily reminder of our friendship. Keeping your family in my prayers.

“ Skip, Katie and Cullen,

*I want to tell you that Mary Ann was one of my best friends and the world is a better place because of her. I feel I'm also a better person because she called me a friend. I'll miss all the fun and laughter we had but most of all I'll remember that she loved all of you so much and told us so every time we met for lunch. Your family is VERY blessed to have God's new angel looking down on you for the rest of your life. She will always be there for you now, just as she was in life.*

“ I worked next to Mary Ann for five years at Ford, and remember her as someone who dearly loved her family. She talked about her husband and children continually, and was as proud as she possibly could be of her grandson. Everytime he did something funny or touching she'd tell me all about it. She was always full of laughter, and loved being alive. The world is less with her passing. My thoughts are with you all.
