“ *Mary was my mother-in-law for 25 years and beyond. She influenced my decision to follow in her footsteps and go into nursing like she did. We even worked at the same hospital in Garden City for many years. She showed me what a true Polish-American family was all about. In her declining years I was able to help her grandchildren help take care of her and enjoy all the good parts of their father's mother. Thank you Mary for all the good things you did.*
