“ *In earlier years Mary was a loving stepmother to me from early teen years when Scott and I visited from Indiana each summer and then later when I moved in on Dolphin St to finish high school and college. Mary was always supportive and helped me grow through those important years. I am indebted to her and Dad for making my college times successful. My prayer is that Anne and her family are proud of their mother and grandmother. She is in Got's hands for the rest of eternity. Love, Don*
