“ *I will always remember Mary's laugh because she laughed with her whole being. Anyone who met Mary would tell you she looked on the bright side of life and rarely, if ever, complained about her health. Her major concern was raising PWP's membership, aid I bet she's already recruiting up there.*

“ Mary was abundant in all the friendships she made over the years. These friends may not have always been around but they always thought warmly of Mary. She was a supporter and volunteer for Parents Without Partners shown by the time and energy she gave from her heart. I will always think of Mary warmly and as a friend who has transitioned to a better place.

“ Mary will be sadly missed by her Parents Without Partners family. Her face was something we had grown accustomed to seeing at all events and meetings. Her dedication to the group was amazing, she was definitely an example of what PWP stands for. There will never be another like her. She was our angel here on earth and now is our angel in heaven. Our prayers are with her family to help them through this terrible loss.

“ I've known Mary for many years because of Parents Without Partners. Mary was a warm and caring person that was always willing to help out where ever and whenever possible. The smile on her face and a warm hug hello is how I will always remember her. I will miss her very much.

“ Mary - a wonderful lady, my best friend and confidant. She will be greatly missed. There will be a void in PWP, but I'm sure she is organizing a new chapter in heaven. There are members waiting for her.
