“ *Mary Ellyn -- Midge -- My close friend of high school days. We lost touch, but she was always in my thoughts. I discovered her email address last spring or summer and emailed her. I never received a response and was sorry about that. I wish I had been persistent. She was my maid of honor. My thoughts and prayers to her family.*

“ *Hi Melissa and Lisa, This is Karen Handloser(your old, old neighbor from Allen Park). My family read the notice in the paper and we just want to send our deepest sympathies with the loss of your mom. We were discussing the fond memories that we have from AP and being neighbors. I can remember our parents always having a fun time together. I think they had more fun than we did! I can remember a picture of your mom dancing at a New Year's Eve party! I think it was in your basement! My mom & dad live in Lake Leeleanu (near Traverse City). They are both doing well. Steve is married with 2 kids and lives in Novi. Dave is married with 2 kids and lives in Allen Park. And I am married with 4 kids and live in Livonia. We're all local so it is alot of fun getting us all together. Again, we just wanted to let you know that we are thinking of you and we pray that God will help you through this difficult time. Take care & hang in there, Karen Bradford*

“ I went to Fordson with Mary Ellen and I considered her one of the nicest people I met there. My sincerest sympathy to her family. (We always kidded each other because she was 4 days younger than me.)

“ To Lisa and family we would like to extend our deepest sympathy. Our thoughts and good wishes have been with you through this most difficult time. We feel so fortunate to have known your mom. She was such a wonderful lady and left, by the way she lived, an unintended memorial to herself. If you need anything, we are only a phone call away.
