“ *Aunt Mary is a favorite aunt. She had the most wonderful laugh. She was always very active and full of life. I can tell you many wonderful things about her. I always think of her when I'm wrapping a gift. She taught me how to make a bow. To have her as an aunt was truly a gift. I will miss her. Deb*

“ *Bill, Allen & families,*

So sorry to hear about Aunt Mary.

One of my memories of your mom was about 20 years ago. I wanted to take my daughter to Greenfield Village & we brought my mom along with us. We didn't want to miss the opportunity to spend some time with your mom while we were in the area. The sisters didn't see each other very often.

Your mom invited us for dinner the first night & we had dinner with her & Allen's daughter. We also went out to dinner the next evening (I believe at the VFW) & then visited Allen's home & family. We watched some old home movies which were quite funny!!

Your mom wanted to make sure we visited the Ford Mansion/Museum before we went home to Cleveland. She spent the afternoon with us doing just that.

I always remember your mom as being very athletic - she was always the Aunt playing baseball in Baba's back yard with all the kids.

This picture of your mom reminds me of her father & her brother, Uncle Ray, so much.

I hope your memories help you through this difficult time.

Love,

Mary Ann Gamiere
