“ *I treasure the memories I have of you. I treasure all the talks we shared. I remember this day like it was yesterday anf it still brings me to tears from laughing. I took you to a eye dr appt and on the way home a dose of road rage came about...of you not me lol I always.watched my mouth in front of you but I think I heard every bad word in a matter of a few seconds haha. Im not sure if you were more mad because of what the other driver did or the fact that he was holding us up from getting you.to McDonald's lol.At times it feels like just yesterday I was picking you up from your apartment but at other times it feels as if its been a lifetime since I've seen.you. I love.you grandma and miss you more then words can express. I hope you and uncl tom are having a blast up there.*

“ To the Family of Mary Irene Ross. My deepest sympathy to you. Can the dead really live again? Would you say... \*yes? \*no? \*maybe? What The Bible Says: "There is going to be a resurrection."-(Acts 24:15). New World Translation. What That Can Mean For You \*Comfort when loved ones die. -2Corinthinas 1:3,4. \*Freedom from a morbid fear of death.-Hebrews 2:15. \*A real hope of being reunited with your dead loved ones.-John 5:28,29. Can we really Believe what the Bible Says? Yes for three reasons:\*God is the Creator of life. The Bible calls Jehovah God "The source of life."-(Psalm 36:9); Acts 17:24,25) The one who gave life to all living creatures is certainly capable of restoring life to someone who has died. For the other two reasons, go to our website. Please see [www.jw.org](http://www.jw.org) our official website at [www.jw.org](http://www.jw.org)

“ A LETTER FROM HEAVEN TO THE ROSS FAMILY To my dearest family. There are some things I'd like to say. But first of all, to let you know that I arrived okay. I'm writing this from heaven. Here I dwell with God above. Here there's no more tears of sadness, here is just eternal love. Please do not be unhappy just because I'm out of sight. Remember that I am with you every morning, noon and night. That day I had to leave you when my life on earth was through, God picked me up and hugged me and He said, "I welcome you. It's good to have you back again, you were missed while you were gone. As for your dearest family, they'll be here later on. I need you here so badly, you are part of my plan. There is so much that we can do to help our mortal man." God gave me a list of things that he wished for me to do. And first and foremost on the list was to watch and care for you. And when you lie in bed at night, the day's chores put to flight, God and I are closest to you...in the middle of the night. When you think of my life on earth and all those loving years, because you are only human, they are bound to bring you tears. But do not be afraid to cry, it does relieve the pain. Remember there would be no flowers unless there was some rain. I wish that I could tell you all what God has planned but if I were to tell you, you wouldn't understand. But one thing is for certain, though my life on earth is over. I'm closer to you now than I ever was ever before. There are rocky roads ahead of you and many hills to climb, but together we can do it by taking one day at a time. It was always my philosophy, and I'd like it to be for yours too, that as you give unto the world, the world will give to you. If you can help somebody who is in sorrow and pain, then you can say to God at night, "My day was not in vain. and now I am contented... that my life was worthwhile, knowing as I passed along the way I made somebody smile. So if you meet somebody who is sad and feeling low, just lend a hand to pick them up as on your way you go. When you're walking down the street and you've got me on your mind, always remember, I'm walking in your footsteps, only half a step behind. And when it's time for you to go...from that body to be free, remember you're not going...you're coming here to me. Mom

“ Mom, its all over. You do not have to ever be scared or in pain again. I hope you saw or felt all of the love that was poured out for you yesterday. It was wonderful. I remember you telling me last week that all you wanted was for everyone to love you, well, I saw it with my own eyes, everyone surely does love you. You looked beautiful and had the best. Me and Matthew and Ron will love you unconditionally with every beat of our hearts. Your blood runs through our hearts and guides us everyday in our lives. We feel you, we remember you, we love you, forever and ever and will be with you again soon. Remember, a thousand years to God is like one day, so it will not be long until we are by your side again. Thank you mom for being who you are and raising us to know love.
