“ *Dear Family of Mary F. Spatafore.
May you have peace and comfort in God's loving invitation to "throw
all your anxiety upon him because he cares for you.-1Peter 5:7.*

“ *It is with great sadness that we write the family regarding the loss of
Mary. The memories will always be in our heart like the times when
we were first married and stayed with Mary and Frank while visiting
Michigan. Frank always worked the third shift and our stay was
always with Mary. She was such a great hostess. We will miss her
dearly. May she rest in Peace with Frank and Jesus. God Bless the
family.*

“ *To the Family,
May each of you find comfort in knowing that God is "near to those
that are broken at heart; and those who are crushed in spirit he
saves." (Psalm 34;18) He has promised to "swallow up death
forever...and will certainly wipe the tears from all faces." (Isaiah
25;8) Take care,*

“ We are saddened by the passing of Aunt Mary Ferrise. I can vividly remember the Michigan family reunions and what love that she and Uncle Frank had for family, especially for their granddaughter, Lisa. She is now with her beloved Frank in heaven. Roseann, Cliff and Lisa, We send our condolences, love and prayers. Love, Jennifer(Carpenter), Jeff and Tori Anderson

“ Aunt Mary was always special to me. She had a wonderful laugh and innocence about her. I'll always remember all the huge family get-togethers in West Virginia in the summers, eating lots of Italian food, including corn from the garden and lots of watermelon.

Our thoughts and love are with cousins Roseann, Cliff and Lisa and all the family today. Aunt Mary will be missed.

All love,

“ Nuni May loved me more than anything. She didn't miss a beat in my life. Papa Frank and she were always there to give me everything they could and love my more than anything. I have so many memories I couldn't even begin to list them all here. I remember one of the last conversations I had with Nuni May she said, "you don't know how much I love you." Then she smiled, laughed, touched my hand, and then pet her "grandpuppy"(as she called her) Kozi. I certainly could never really know, but as I grew up over the years I think I came pretty close. And now she is with her Frank and very happy and can feel just how much I love her.

“ Dear family, It is with great sadness that I leave this message. Death is really another stage in our journey to heaven. However, it does not make the passing of our loved ones any easier. I will be unable to attend the funeral. Tuesday is the first day of school for students. Roseanne, you know what that's like. My love to all of you. "Aunt Mary" was always a great hostess to my parents and myself during those many Spatafore reunions in Michigan. I will always remember her great hospitality. Also, I think of her every day when I turn on my lamp in my living room. She gave me the lamp of the scantily-clothed cherub!! God bless all of you.
