“ *We're so sorry for your loss. We JUST heard the news. Mary taught our kids at Wixom and was a positive force in their lives. She also supported me (Ellen) in my quest to return to school and become a teacher.*

*Mary was a warm and VERY funny person. We'll remember her always!*

“ *Mrs. Teill was my third grade teacher at Wixom Elementary. She encouraged us to do our best. She taught us not to be wasteful. She told us funny stories. She was very kind and generous and giving to people. She gave me many things. I'm really going to miss her.*

“ My daughter, Savannah was in Mary's class in 2004-05. I was priveleged to have worked in her classroom every Friday that year. I have to admit that at first, I wasn't a big fan of her teaching style. After a very short time, though, I came to be one of her biggest fans. I came to see how very much she loved each child, as if they were her own. She used every moment of every day, pouring her life into her students, urging them to press a little harder to be the best they could be. I saw many children with various learning disabilities who thrived and made huge strides in their learning while under her care. She made learning fun and interesting as well as challenging. She regularly had students from previous years come back to visit her, proving how much her students loved her. I was always amazed at how much she could accomplish in one day. Not only did she give so much to her students, she was a compassionate listener to so many people. She would help new teachers, giving them ideas and materials as well as helping them learn the ropes. She usually stayed late at the school, making sure she had things ready for the next day. Then I learned that she regularly helped with a homeless ministry and taught a class for children at her church. All of her other activities are too numerous to mention. Suffice it to say that she was an amazing person, so strong and always positive and energetic. I feel honored to have known her and she will be greatly missed.

“ To the family of Mary Tiell,  
Mrs. Tiell taught my son Mark for third grade. It was the best year he had at Wixom Elementary. She challenged him and kept him engaged. He entered her class a child, and left a student.

“ To the family of Mary Tiell:

*I was a teacher at Wixom Elementary during the late 80s and early 90s. Mary always was upbeat and dedicated to teaching. She had a kind heart. I am unable to be at the services, as I am not in the area next week. I found out through a retired teacher friend of mine in an email. Sorry for the loss of such a wonderful person.  
You all take care.*

*My condolences;
