“ *Dear Uncle Nick and family....I loved Aunt Mary she was always so easy to talk with and so honest about her feelings. She had a cheerful countenance about her that was so attractive and her smile, oh her smile. So sorry and I pray the LORD will comfort you in this loss and though sorrow comes in the night may joy once again come in the morning....Love always, Marie Petschke*

“ *My Dear Aunt Mary: Even though tears are in my eyes hearing of your passing....there is much laughter in my heart remembering any of the times I had a chance to talk with you. You had a special way of listening and were always concerned with others. You did a great job in this life and I know you will have blessings in Heaven....Love to YOUR Family!*

“ Our dear "sister" Mary, Just want to say, what a blessing you are to our entire family, and how grateful we are that you are in our lives. (I use the present tense) because in our hearts, we will always remember your kindness, caring, and the laughter in your voice when you talked...you made people feel good, just to be around you! What a great mother, you are, and your children reflect you, in their kindness and are such kind, God loving people! We not only love,..but like you....can't say that about a lot of people...you are special. Sorry health issues,in past few years, made visiting impossible, but always in our thoughts & prayers. You physically are greatly missed by all of us , and I pray God, heals your families broken hearts, and blessed Mother Mary,hugs them tightly under her mantle!! Love Ray Betty Joe

“ You are already missed and my heart is broken. You were my Mother-In-Law in the beginning but you have become so much more than that, you became my best friend. I thank you for opening your arms and heart to me and made me so much more than just a daughter-in-law. Thank you Mom for all you have done for me and taught me. Always in my heart, thoughts and prayers.
