“ *MY Condolences to the entire Parsons family When our loved one die we mourn. And we may ask What has happened to them? Are They suffering? Are they watching over us? can we help them? Will we ever see them again? These are question that people have thought about for thousand of years. They are important question. No matter who we are or where we live, the answer concern each one of us. At such times we need to go to God's Word for comfort. the Bible help us to understand how Jehovah and Jeus feel about death. Jehovah promises that the dead will live again(isaiah 26:19)They will be brought back to life. That is the hope of the resurrection. Jesus taught that someday all those in the memorial tombs will be resurrected.(John 5:28) Just think Jehovah actually yearns to bring the dead back to life right here on a paradise earth. (Psalms 37:11;29) Is it no heartwarming to learn that Jehovah feels that way.*

*Thank You

“ Im truly sorry to hear about your lost. MaryJane will definitely be missed by so many. One thing that helps me deal or cope with losing a loved one is the scripture John 5:28,29. It states, " Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life....." Soon we will be able to see MaryJane again because God (Jehovah) promises a resurrection hope. I hope this gives some comfort.
