“ *Matthew, you were my first grandchild. How excited we were when you were born. When you were young, I lived close by and we used to do a lot together. I always thought you were destined for a good life. And you didn't disappoint. You had a good job, were a great Dad, had loving parents, grandparents, a sister and brother and friends. Your life was short, but God wanted you with Him. Someday I will join you in Heaven where there are no tears, only joy. Rest in peace my grandson.
Your loving Grandma Londke*

“I used to babysit Matt when he was a little guy. Allen and Donna lived behind us. They only had Matt at that time. He was such a cutie pie with curly hair, always wanting to cling over the fence to play. I haven't seen him since the family moved from that house. Prayers for the Cook family Rest In Peace 🙏

“Matthew, you made me an aunt for the very 1st time. You were such a sweet baby. I used to steal you away from your mom and dad every chance I could get just for the joy of having you. Then after Dennis and I married, we used to take you for weekends and on trips. We had a lot of fun times. I hope you are at peace. Love, Aunt JoJo
