“ *I am so saddened to hear of the passing of someone who was my best friend as a kid and all through our teens. While our lives took seperate paths as we grew older, my thoughts were always of the good times we shared. I am especially sorry that difficult circumstances in my life prevent me from being there at this time of grief, but I love you brother, and will miss you dearly. My thoughts and prayers out to the entire Harden Family. Mike*

“ *Time has taken me from you,
Although not very far.
I'll be watching through the sunshine
And through the brightest star.*

*I'll be watching all of you,
From the heavens up above.
So take good care of each other
And carry all my love.*

*If you're ever wondering
If I'm there, here's where you can start.
Take a look inside yourself
Deep within your heart.*

*I'll always be your son
Your brother, your uncle, your friend.
So anytime you need me,
Close your eyes I'm back again.*
