“ Dear Maureen and Family,

I am so sorry to hear of Matt's passing. Matt and I worked together in the "old GMAC" Training Unit for many years. We co-authored several training programs and materials and presented as a team in live classroom. I always admired his writing skills and personal delivery that mixed the spectrum of emotions and humor. Our comradery extended beyond work and we shared each other's joy, trials, tribulations, and.....pride in our children. He gave me memories that, to this day, give me chuckles; some personal embarrassment; sometimes, a case of wonderment and shaking of head; but most of all, a feeling of good fortune that he was my friend.

“ *I got to know Matt a little bit this past Fall term at MCC. He was a nice guy with a sense of humor and a quick mind. I'm sorry that I didn't get to know him better. My sympathy to the family!*

“ Just saw the obituary this morning (1/19/18) and we are in shock !!!!

Kelly and I (Don) have known Matt for many years and are deeply sadden by his untimely passing. Over the past number of years we have gone out to dinner with him every few months especially on birthdays which we all celebrate in February.

I first met Matt at GMAC in 1983 and have been friends since then not always staying in touch on a regular basis but was always a TRUE friend.

“ *Matt and I worked at Macomb together, and I observed his class. I was so impressed with the way he motivated the college students to learn. My thoughts and prayers are with the family during this difficult time.*

“ *Matt taught English courses at Macomb Community College for over ten years. He worked for me in the Communications Department and I always considered him to be a true professional: responsive, flexible, patient, dependable, and gentle. The students described him as friendly and fair with a flair for storytelling. Over time, he taught hundreds of students to write and he will be missed.*
