“ *Matt would ring our door bell at age 7 and ask Martha if Mr. Nield could come out and play footbal with him and older brother Steve. Hard to say no to that grinning face so I would always say yes. Neighbor kids would gather and we would play for hours in a vacant lot behind the Peltz home. Martha and I extend our deepest sympathy to Norma, Charlie, Stephen and Barbara, Jack and Kate. “ I met Matt a decade ago to work with him in support of his existing and ongoing computer work. He was brilliant, amicable, and a joy. He introduced me to his Mind Mapping analysis of his beloved work. I was stunned to see such advanced knowledge and this began my admiration of his personality and mental prowess.

The world has lost a truly great man. I grieve for this loss.

To Barbara: no words will help but please know he has transcended early but will never truly pass from your mind.

To Norma & Charlie: Matt was my IT partner for you and the trials you have faced. Your loss exceeds my words of consolation. Norma-- I have felt to carry your loss in abstentia. I thought about Charles but could never envision it was Matt's event. GOD removed Matt from you and the family. Who can question the mind & plans of GOD?

Matt's impact on life is now fixed and eternal. I grieve for this familial loss. Matt's smile and confidence is missed. He has transcended.

May God's Grace warm your hearts as this cold wind of change impacts all in their agony of November 2018.
