“ *I, just like Emma, meet Matt in an IRC room several years ago. We spent many nights trying to top each other's jokes. Those nights grew into an internet radio show that quickly became the most popular on the site. Laughing with him got me through some of the hardest times in my life. He will always be in my fondest memories.*

“ *I met Matt in an irc room ten years ago. Ever since then he has made me laugh till I burst. He gave me a hard time for a long time but he always had the best intentions. He was a constant inspiration, always managing to hold my attention with the simplest of words. As years went by he grew, he was stronger and more determined to fight his adversities. It was then When he spent his precious time talking with me, calling me and teaching me how to be a better person. I will always miss him, and I will always wish we had actually met face to face, as we had talked about doing so often. He will be forever in my heart and mind, his memory will live on through me and others like me. He was one of the good people taken far too young and we will never forget the memories we shared and the love he brought to us. Rest easy my friend, Matt. Rest in peace pugs\_82.*

“ One of the memories I have with my cousin Matt is when we were young and the Grutza family went camping. We were having a great time and just like any young curious children we were always looking for trouble. We found trouble and an opportunity to cover his younger brother in shaving cream at the camp's showers. Our other cousin was part of the crime but immediately ditched the scene as soon as the park ranger (Power Ranger) came, leaving Matt and I to clean up the mess. I do feel bad for my other cousin getting victimized in this situation but I will always remember the time I shared with my cool cousin, Matt. RIP and give Grandma a hug for me. Love you. xoxo
