“ To All,
We want to thank everyone for all the tremendous support we have received this week. We will hold Matt dearly forever in our hearts. We felt so much love this week and realized just how many people Matthew has touched. In the days, weeks, months and years to come we know that Matt will always be with us, looking over us, and loving us. We know he is in heaven where there is no pain and no suffering. Mom is doing good today (Sunday) and our family is together which Matt would want. We live now without him here physically but can feel his presence and his love. Its up to the rest of us to continue on sharing love and support for each other and those who need it most. I'm sure Matt was very touched by all the support and love this week. I talk to him every day and I know I will one day see him in heaven.

Thank You,
Tom Webster
