“ *Maude was my mother Norma woodling's best friend. She was very kind and full of life and I loved talking to her. There are so many photos of Norma and Maude enjoying a vacation together in Florida, and spending happy times at the Lake, Lake Erie, and at my grandmother's cottage on the cliff above Lake Erie. I wish we'd been closer. I live in Australia but. I'm sure Maude will be sorely missed. Sending Love. Judith Woodling, Norma's eldest daughter.*
