“ *Dearst Mom, I'll never forget the day you told me you would be there for me as a mother would for her daughter after my mother passed away. That left great place for you in my heart, you have always made me feel like a real daughter to you and I loved you more for that than you will ever know. I loved how I could ask you any question about a scripture, and you always knew where it was, who said it and even the verse number. That always amazed me! You are in a happy beautiful place now where you can watch over all of us. Love you always Mom Imes*
