“ *Thank you all for your love and support for my father. Not only was he the most motivating person I've ever met, but also the inspiring. Today marks his two month anniversary, and it still seems like yesterday. My mother is hanging in there, but it's still a difficult time considering their anniversary was the 10th. Thank you all for remembering my dad, and he will have an ice cold beer with us again some day.*

“ *We were just kids so long ago when I knew Dan. Once very close through out school days and loved. Once married, Dan is always remembered in my heart. I know god has embraced him in his loving arms. Its no wonder he had a loving large family because he was such a wonderful and kind person and young man back then and I am sure that never changed. My condolences to his entire family and his sisters. See you on the other side someday my friend.*

“ My condolences to your family. I had the pleasure of working with Dan at Ford Motor Co for a number of years, both hourly and salary. I also was fortunate enough to enjoy a round of golf with Dan this past summer in the Ford Stamping League. My thoughts and prayers are with you in this difficult time.

“ Rich and I send our deepest sympathies to you, Sandy, and all the kids/families. One thing I will personally remember about Danny is his smile. He ALWAYS had a smile for me, no matter what. I will remember bowling in the mixed leagues and how he always made me feel like part of the "group" and of course, the Tool & Die functions. Those memories are the best...He was a special man and will be sorely missed. Hugs to all. Diane

“ Im truly sorry to hear about your lost. Melvin will definitely be missed by so many. One thing that helps me deal or cope with losing a loved one is the scripture John 5:28,29. It states, " Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life....." Soon we will be able to see Melvin again because God (Jehovah) promises a resurrection hope. I hope this gives some comfort.
