In Loving Memory of Meredith Suzanne Conte

Plymouth, Michigan

September 24, 1975 – September 19, 2025

With heavy hearts, our family announces the passing of Meredith Suzanne Conte, our beloved daughter, sister, auntie, niece and cousin, who left this world far too soon on September 19, 2025, at the age of 49.

Meredith was known for her joyful nature, her boundless compassion and selflessness, and her unwavering devotion to those she loved. Love was the cornerstone of her life, and she extended genuine warmth and affection to everyone she met - and of course to any dog that crossed her path.

Meredith had a true connection with animals of all kinds, especially dogs. Her love for animals brought her into homes across the state where people trusted her to care for their pets. She loved each and every furry friend she made as if they were her own. She also had a deep and abiding love for pandas, although sadly she never fulfilled her lifelong dream to cuddle one.

Community engagement was another of Meredith's many passions. She was an active member and corresponding secretary of the American Association of University Women (AAUW) Plymouth-Canton Branch. The Branch provides

live drama for children to benefit the association's scholarships for women pursuing higher education. Meredith was a shining star in many of these productions; her roles included Peter Pan, Toto, and the White Rabbit. Her favorite role was the Beast.

Meredith's fun-loving nature led her on many adventures with friends across the country. Whether following her favorite band, visiting her favorite characters at Disney parks, hiking in Yosemite, walking across the Mackinac Bridge, or chasing eclipses, Meredith delighted in exploring and enjoying the world. She also relished sharing meals and drinks with friends, and quiet moments of deep connection.

Meredith worked in retail for many years, but found her true professional home at the University of Michigan Medical School's Department of Internal Medicine in the Division of Gastroenterology and Hepatology, where she worked as an administrative assistant. She loved her work supporting those who heal and care for people, and she loved her colleagues, many of whom became close friends.

Meredith is survived and greatly missed by her parents Mike and Gail Conte, her siblings Marisa Conte (Tim Neville), Kevin (Jill) Conte and Kyle Conte (Amber Zmick), beloved nieces and nephews Drake, Talia, Liam, Zoe and Charlie, and by many loving aunts, uncles and cousins. She is preceded in death by her grandparents Leonard and Jean Conte, and Brian and Dorothy Honeyball, and by her aunts Mary Swander and Suzanne Timberlake.

Meredith will be deeply missed by her family, friends, and all who were fortunate enough to know her. Her legacy of love and kindness will continue to live on in the hearts of those she touched. A memorial service will be held to celebrate Meredith's life and the joy she brought to so many.

A Memorial Visitation will be held on Friday, September 26th from 1 PM until 8 PM at Vermeulen-Sajewski Funeral Home, 46401 Ann Arbor Road West, (Between Sheldon and Beck) Plymouth.

Friends and Family will gather starting at 9 AM until the Memorial Service on Saturday, September 27th at 11 AM, at Risen Christ Lutheran Church, 46250 Ann Arbor Road, Plymouth.

Memorial gifts in Meredith's honor may be made to the P.O.E.T. Animal Rescue (<https://www.poetanimalrescue.org/>) or the animal-rescue organization of your choice, or to the American Association of University Women, Plymouth-Canton Branch (<https://plymouthcanton-mi.aauw.net/>).

“ Beautiful and beloved Meredith has traded her crown for a halo. She leaves behind a devastated community of friends and family, all reeling with disbelief and grief at this unimaginable loss. She was a sparkling star that shone her bright light upon all those around her, and now that star is lighting up our heavens. Although I had not known her as long as most, I knew that our friendship would last forever. I feel so blessed and grateful to have walked even a little bit of her journey with her. The tremendous impact she had in her much too short life was so much more than most can accomplish in a hundred years. She will live on in all of our broken hearts.
