“ *Erika, Liz and Hunter... I just can't find the words? I don't know one thing that I can say or do to make this easier? They just don't come any better then Merle! She was the best and I feel lucky that I knew her. I hope as a mother myself that I can be there and help my kids find their way in this world and keep them together for as long as I can and to the best of my ability just as Merle and Pammy did... They were "THE BEST" and we will always miss them... Just take it one hour,one day, one week at a time and time is the only thing that will start to give you your life back. We can learn to go on without them, I promise.. I'm so so sorry that your Lil Mama is gone too. I LOVE YOU....*
