“ *Whenever we had the chance, I loved singing next to Michael. We would always joke & make fun of whoever was directing - (all in fun). If we couldn't "get" a certain part, we would say under our breath: "This music is stupid!". It brings me some comfort, thinking of him smiling and singing with all the other Angels in Heaven.*

“ *To the Carney family, extending our deepest sympathy with the passing of Michael.  
~Phil & Janice Morgan*

*Those we love don't go away,  
They walk beside us every day,  
Unseen, unheard, but always near,  
Still loved, still missed and very dear.*
