"As we stand by the bijou. We watch a ship as she disappears, there she is gone. And we cry for this, but she's not done. She's as real as when she left us. And somewhere else other voices are calling out, here she comes....and that is dying".

“ *Gus and I were saddened for the loss of our dear friend Mike. We had many great trips to Vegas with him and his partner in crime Lynn . He was a master of wit. Con Expo will never be the same without him. The last dinner we had with Arlene and Mike was at the DAC. We never laughed so hard. We shall truly miss you Mike. You were a great loyal friend. May you now be with all your friends and family in heaven giving them the one liner jokes. May your soul Rest In Peace. Gus & Aynna Zervos*
