“ *Anyone who knew Michael, knew he had such a great heart, he would be there for anyone in a heart beat... He was my best friend, man. The parties growing up, to the cedar point trips, to just hanging out in ur basement with all ur friends having a blast. U still made sure everyone was ok, feed us, watered us, ect. He would always put himself last.. I'll always cherish the memories we have created. My heart is torn, we love u Michael. 🥹😔*
