

Michael Bradley Fogle

October 30, 1938 - November 14, 2024

Fogle, Michael Bradley

Michael Bradley Fogle, age 86, of St. Augustine, Florida, passed away peacefully on November 14, 2024. He was the beloved husband of the late Arlene A. Fogle, with whom he shared 36 beautiful years of marriage, beginning in 1964. Together, they created a home full of love and laughter, a place where family was always at the heart of every gathering.

Michael was a devoted and loving father to Stacey (Jeff) Laho and Kimberley (Jared) O'Brien. He was also the proud grandfather of Alisha Laho, Hannah Laho, Caleb Laho, and the late Kodey Laho, as well as Luke Skoglund and Jake Skoglund. His grandchildren were his greatest joy, and he took on roles like coaching hockey for his grandson and serving as a dedicated caregiver to his granddaughter Alisha, embracing these with love and pride.

Michael proudly served in the United States Air Force from 1959 to 1962, a testament to his lifelong commitment to service and duty. After his military service, he graduated from Walsh College, embarking on a successful professional life. He carried a sense of discipline and achievement beyond his career, earning a black belt in TaeKwonDo, a passion that demonstrated his strength and perseverance.

An avid golfer, Michael found peace and joy on the greens, but nothing was more important to him than his family. He was always present, always supportive, and deeply committed to his loved ones. His warmth and wisdom

left a lasting impact on all who knew him.

He is also remembered as the loving brother of the late Joyce Clark and the late James Fogle. His kind and generous spirit will be dearly missed.

“It’s hard to find the words to capture what Mike truly meant to me, but I feel incredibly blessed to have had him in my life—not just as a former father-in-law but as a continued part of my extended family. He was not only “Pop-Pop” to my two oldest boys (his biological grandchildren), but he was also “Pop-Pop” to my two youngest children (part of the extended family).

I first met Mike in 1995; sports and golf were our language. We spent countless hours on the course together, sharing more than just swings and putts (and Mike’s constant “golf lessons”), but deep conversations talking Red Wings, Lions, Tigers, and especially Michigan football.

One of the things I admired most about Mike was his deep connection to my dad. They shared a bond beyond friendship—mutual respect and an understanding from shared experiences and a time when they needed each other the most. It was something special to witness, and it’s a connection I’ll always be grateful for.

Rest in peace, Mike. Thank you for the laughs, the lessons, and the love. I’ll see you on the back nine someday.

With love and gratitude,

Mike

“ *I had the pleasure of spending alot more time with Mike as he moved to Florida 2 years ago. We would spend most weekends together watching football games (Go Blue) and golf. Mike always loved catching up on sports and spending time with his family who he loved very much.*
