“ *So sorry Terry and family for the loss of Mike. Praying for you all. I only met Mike this past year. I played a few tournaments with Mike, shared a few meals, and enjoyed being around him for the short time I knew him. Such a good guy and great teammate. I enjoyed his sense of humor. We don't know why things on this earth happen. I'm praying God will make His presence known to you and comfort you and your family. May He flood your hearts and minds with all the great memories of the times and life that Mike shared with you all.*

“ Terri
I am deeply sorry for your loss and will keep you and your family in my prayers. I had the privilege to play ball with Mike the past three years and travel to out of town tournaments together. Though our friendship was short, he has a special place in my heart forever as a great teammate and friend. I am truly a better person for knowing Mike.
