“ *Sending nothing but love and support to the family. I remember meeting Mike at a Family Reunion in Ontario and I remember talking about Big Brother with him. Such a fun guy, my thoughts and prayers to Aunt Karen and the rest of the family during this dark moment in time.*

“ *Karen & family, just a note to let you know you are all in the thoughts and prayers of your extended family here in NB. I have fond memories of times we spent together with Mike and you - here, up your way and in Florida. I remember Mike's patience when I got us lost in St.Pete's heading to Neil and Fay's place from the airport. The photos from the kayak trip in the river down here brought back some great memories too. He was a great guy and will be sadly missed. Love you all. Will G.*
