“ *My prayers go out to Mikes parents and his wife Linda, I was shocked when i heard the news of Mikes passing.I worked with him at Mititoyo for about 16 or so years he was one of the smartest people I ever met from his love for computers to his body building days and the fact that he loved to fish which is something we both shared and actually did together a few times on commerce lake my thoughts and prayers go out to you he will be greatly missed.*

“ Mike and I were close during my formative years. Our families spent a great deal of time together and I'm always grateful for the times I spent with Mike: Mike introduced me to dip (didn't take), British New Wave music (took) and I bought my first cool dirt bike from him. We took trips together in remote locations with our parents, and those times I flash back on when I need cheering up. I always enjoyed spending time with Mike, though we both moved far away from our families over the past decade.

Dick, Diane, and Dan, I wish I could be there with you at this time. Please know that my thoughts are with you and you have my undying love and support, always.

I will miss Mike tremendously.
