“ *For the last couple of days have been a struggle. It was definitely to soon for you to go. When I got the word my little brother was gone my heart broke. I was so proud to have you as a brother. You had a kind heart would do anything for anyone. You might have grumbled sometimes but you were there. There were very few moments that you didn't have smart a\$\$ to say. They humor that drove mom crazy. It brings me some peace to know you are with dad fishing but my heart still hurts. Miss you so much and love you XO fluf*

“ First, I'm so sorry for Mike's family; I'm sending out my Love and healing prayers to you all. Second, it just doesn't seem real that my great friend is gone. I'm having trouble processing this major loss. Mike and I work together for 26 + years, five years at Waterbed Showrooms, and 21 years at High Quality Cleaning Inc. He was the backbone, and a big part of the success at High Quality Cleaning Inc. He always went way above what was ask of him. Without a doubt he had a stellar work ethic. And, his Love of Family and Pets was great. He was a man of little words at times, but his actions to help anyone that was in need was huge. There's so much more I could say about the amazing Mike ! But I'll end here by saying, I was blessed to be part of Mike life, and I will miss him badly. Safe journeys my Friend. 🙏🏻🤝❤️

“ Mike was always saying something silly. He always had something quirky to say.. always made me laugh! He was a hard worker and a good man. I have known him for several years and he was always there when I needed him. His love of animals and how he loved his dogs, and making his “talking dog” videos... I will truly miss him. Mike, as your wonderful wishes, I will be sending contributions to the animal societies. You will be missed by so many of us.
