“ *Mike was 1 of the warmest, coolest, funniest, most genuine individuals I've ever come across in TSA. He always took time out to speak when he saw you. And it was always warm friendly and real. It's something we take for granted in these busy hectic lives we lead, but it counts for a Great deal in my book. Mike, I know your loved 1's and Ford family are missing you like crazy, but your TSA family will be missing you a great deal too. See you when I get their my friend...*

“ Mike, you are truly one inspirational man. Working on your GTO and going to car shows with you was a part of my life I won't forget. Despite your on going battle with Cancer, you showed such courage that you seldom find in people. Truly remarkable! May you be in Paradise for eternity. Chuck Posigian

“ *My good friend Natalie... I met in elementary school... Her dad was the "cool dad". He treated me like a daughter.... I'll never forget how nice he was to all us kids! Or his love of motorcycles... Especially the one he kept in an empty bedroom.... He'll be missed by a lot... Love to Natalie and the Mecurio family... And to all others involved in his life.*

“ *Mickey was a father to me and Natalie my sister. I have so many happy childhood memories because of this amazing man who loved me like his own. I'll never forget riding on his Harley Davidson. Even as a little girl, I was never scared because I knew he would protect me and never let anything happen. You will always have a place in my heart. I love you-Becky*
