“ *My Deepest sympathy goes to the Mesler family and friends. Michael will truly be missed. This scripture helps me to cope with the death of a loved one. At: (Isaiah 25:8) "He will actually swallow up death forever, and the Sovereign Lord JEHOVAH will certainly wipe the tears from all faces. And the reproach of his people he will take away from all the earth, for JEHOVAH HIMSELF has spoken it. Thank, You*

“ There will be a time where Jesus Christ will bring back our loved ones and we will see them again. "Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice (29) and come out, those who did good things to a resurrection of life, those who practiced vile things to a resurrection of judgment."-John 5:28, 29 This we can all look forward to in the near future.

“ Im truly sorry to hear about your lost. Michael will definitely be missed by so many. One thing that helps me deal or cope with losing a loved one is the scripture John 5:28,29. It states, " Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life....." Soon we will be able to see Michael again because God (Jehovah) promises a resurrection hope. I hope this gives some comfort.

“ I am not the best with words, but I am going to try. I can't begin to express how sorry I am that you are gone. My heart is heavy with sadness for all who loved you, your children, your wife, your family & your friends . Through the mist of our failures, I am so thankful we were blessed with a precious little girl who has grown into a beautiful woman, inside & out. That beautiful woman also gave us the greatest gift of another precious little girl, our little angel Emalee, who brings joy beyond belief. I am sad that you will not be around to continue to love them, make them laugh and watch them grow. But you can rest knowing I will make sure your memory stays alive and you will always be in their hearts. You always had the gift of laughter and could light up the room no matter the circumstances, the rooms will be darker now that you are not there. In all this sadness there is some joy, and that is that your family is now blessed they have another angel to watch over them. RIP Mike.

“ Mike (dad) You have no idea how much those little talks we had meant to me..The way that we could tease each other and laugh non-stop, those are the times I will remember most..I am so happy that you are no longer in pain, and that you shared all of your love and friendship with my mom. Don't worry, she will be well taken care of. “ Dear Old Friend, you are no longer sick or in pain. I'm so sorry we drifted apart over the last few years - people should never let that happen. I will certainly miss all your crazy jokes & laughter. Life will certainly be a little less fun without you. You were greatly loved by Julie, your family, and all your friends. Until we meet again - keep them entertained in Heaven!
