“ *Dearest Dave...I barely knew you...only by chance meetings at your sister-in-law's house at various events. I can't speak of your accomplishments or your dreams. What I can speak of is the impact you have made on the many who love you. Your untimely death is incredibly devastating, but know your life, though short, will resonate with your children, your loving and devoted wife, and you family and friends for the rest of their lives. You were loved so intensely. You will be missed by so many. I wish I would have gotten the opportunity to have known you better. I pray that you Rest In Peace knowing that you were and will continue to be the love of Katie's life, you will always be your children's super hero, you will never stop being the great friend and brother to your own siblings as well as the many in-law siblings you acquired. Your life meant something to so many and it will not end just because your time on Earth did. Rest well. Your memory will go on in the lives of all who love you and those who never got to know the amazing person you were.*

“ Several years ago Dave was my sales rep at the non profit I worked for. I only knew him on a professional basis but it was for a few years. He was very polite, professional, courteous, and attentive. He met all our company needs. I enjoyed working with him. My prayers are with his family. God Bless.

“ I am deeply saddened to hear about the loss of David. I had the pleasure of coaching David as a player and he was also a coach for the Canton Chiefs baseball program For several years after graduation. Dave and I crossed paths again at the shop in Livonia and we talked for quite a while catching up on memories from the teams and the good times. We also talked about his hunting, his family and the things he loved. I'm so thankful to have stopped in that day. The Canton baseball family, friends and teammates will miss him dearly. God bless
