“ *I'm writing on behalf of the late Bob Beaton, who considered Mike a dear friend.*

Just as caring, the late Angus Beaton, Bob's dad, my husband, held an abiding respect for Mike, and in particular, his creativity in taking a damaged vehicle back to pristine condition in his collision repair business.

On at least two occasions, Mike performed beautiful damage repair on our vehicles and delivered professional results.

We were proud to send business his way every chance we had.

We thank him publicly now, and pray for help in the grief that has taken Mike from his family all too soon.
