“ *Mark and I always enjoyed talking with both of your parents at softball, at school when he would pick up one of the boys, when they came to get computer repair, or if we ran into each other at trivia. Who is such a nice man and had great stories. We were sorry to hear of your loss we hope you are able to celebrate his life today and every day. He would love that. We are sorry to miss the celebration today. Mark and Rhonda*

“ I met Mike thru Irene at a Cody Reunion Picnic a few years ago. One think I remember was Mike insisting he carry my lawn chair to my car when I was leaving. He was such a nice person for doing that!

“ I'll always remember Jason, his Dad, and I riding our bikes to Ford Rd Mini Golf. Quite the trek by bicycle, Jason's Dad was so vigilant at the busy intersections teaching us to stay safe, learning the traffic signals, and to walk our bikes through the intersections. A valuable lesson for 2 boys that just couldn't stay off our bikes that summer. Mike will forever be missed, but memories just like this, we will hold on forever.

“ *I can remember filling in playing trivia a few times with Mr. O'Connors and Jason more than a decade ago. He was always so pumped up to get started! Before the questions even began, he would be ready to talk about anything that possibly could have been related to the questions, well before the game even started! He truly enjoyed those times and he was absolutely in his element for those few hours or so, while answering question after question correctly after some short, and sometimes intense debates with Jason! The man had a wealth of knowledge way beyond anything I'll ever accumulate in a lifetime! Those were good times! He was loved and he will be greatly missed.*
