“ *Uncle Mike you were one of a kind. And just like grandpa you knew enough to always get the job done. Nothing was able to stop us, perhaps only delay for a moment lol. I'm going to miss that. I'll see you again with the Lord where home truly is... forever :)*

“ *Mike had a smile that would light up the room. I used to see him at the VA, and at his brothers home. He was always kind and always liked talking about his family, especially his children and grandchildren, they were the love of his life.*
